

## FOR IMMEDIATE RELEASE

DubCorp Inc. Launches Corporate Web Site.

*San Luis Obispo, California, August 8, 2006* - DubCorp Inc., a creative development company with businesses across various markets and platforms, has launched their newly designed corporate website. The new site will feature information on the company, its' founders, as well as links to the various companies owned by DubCorp. The new website is a way of showing our customers the guiding principles behind our business as well providing a way to link what may appear to be lots of unrelated business as subsidiaries under one big corporate tent. ", says James Whitaker, founder of DubCorp. Inc.

DubCorp was founded in May 2006 as a parent company for several online clothing businesses. The company has two businesses live right now, GreekHoodies.com and VectorTees.com. Greek Hoodies.com targets the often overlooked fraternity and sorority market. VectorTees.com provides a place for medium to large corporate businesses to order t-shirts online. "We started in clothing, but already have plans for 7- 8 businesses; some are online and some are offline. ", says James. The company next plans to develop a robust e-commerce business software package called the DubCorp Commerce Engine.
